EXPERIENCE

UX Developer, Solve It Simply

New York, NY — 2014-2015

Responsible for translating Photoshop UI kit to the web using HTML/Handlebars, CSS/Sass, and Javascript/Ember.js

Clients

- *Simply360* - a responsive, single-page web-application designed to help non-profit organizations manage their data
- American Camp Association - built *Find-A-Camp* feature to help parents find the right camp for their child.

Product and Design, Startup Institute

New York, NY — 2014

Completed a career accelerator program that helped me launch my career at a tech startup.

Clients

- *She's the First* - designed and built marketing page to aid their "Be The First" fundraising campaign - Photoshop, Bootstrap
- *Malltip* - created wireframes to aid in the development of a brand ambassador program to build traffic - Balsamic
- *Krossover* - Create visuals to support a roll-out plan for a new product feature - Photoshop

Web Developer, Freelance

Miami, FL — 2013-2015

Built sites to serve the needs of various clients using HTML, CSS, Javascript, PHP and Adobe tools.

Clients

- *Tony Collins* - Patriots football player turned motivational speaker - Bootstrap, custom CSS and PHP
- *Emichell Noyola* - New York urban clothing designer - HTML/CSS3 and Illustrator for vectorizing logo
- *JSP Life Agency* - Healthcare solutions for children and elderly - Squarespace, HTML/CSS3
